Board of Directors Building on Love, Inc. 244 North Mohawk Street Cohoes, New York 12047

Dear Board Members:

I have reviewed the accompanying financial statements of Building on Love, Inc., (a nonprofit organization), which comprise the Statements of Financial Position as of May 31<sup>st</sup>, 2021 and 2020 along with the related Statements of Activities, Statements of Cash Flows for the years then ended, and the related Notes to Financial Statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

#### Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

#### NOTE 3 – USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

In June 2019, Building on Love, Inc. began working on a new and expanded mission statement. They have expanded their Board of Directors also. The organization approved the hiring of a full-time paid Executive Director that began work in late May 2019.
