Mission Statement

Building on Love, Inc.

Building on Love, Inc. is a 501(c)(3) non-profit with a mission of helping families in our community who are facing a life-threatening medical condition. We do this by providing direct financial support to assist with essential living expenses.

Thanks to our Building on Love family, we have never turned away a grant request due to a lack of available funds. One hundred percent of the funds received from the NKBA 2022 Golf Tournament will go to families in need.
