# National Kitchen & Bath Association

The only trade association dedicated exclusively to the kitchen and bath industry, NKBA is the leading source of information and education. Join us at the New York Tri-State Chapter for all professionals.

The NKBA is a growing non-profit trade association with more than 40,000 members. Celebrating 60 years serving the kitchen and bath industry by providing resources for consumers and industry professionals.

## Mission Statement

The mission of the New York Tri-State Chapter of the NKBA is to enhance member success and excellence, promote professionalism and ethical business practices and provide leadership and direction for the kitchen and bath industry in the New York Tri-State Region.

## Building on Love, Inc.

Building on Love, Inc. is a 501(c)(3) non-profit with a mission of helping families in our community who are facing a life-threatening medical condition. We do this by providing direct financial support to assist with essential living expenses.

Thanks to our Building on Love family, we have never turned away a grant request due to a lack of available funds. One hundred percent of the funds received from the NKBA 2024 Golf Tournament will go to families in need.

# New York Tri-State Chapter 19th Annual NKBA Golf Tournament
